Click on link on webpage :

The screenshot shows a web browser window with the URL d6.co.za/education/downloads/. The page is titled "d6 School Communicator Downloads" and includes a navigation bar with links for Home, News, Products, App Downloads, Services, Training, and Contact Us. A sidebar on the right contains a "Book a Demo" button. The main content area is divided into two sections: "SCHOOL MOBILE APPS" and "SCHOOL DESKTOP APP". The "SCHOOL MOBILE APPS" section lists links for iPhone/iPad (App Store), Android (Google Play Store), and a MOBI SITE. The "SCHOOL DESKTOP APP" section features a "Country" dropdown menu with a list of countries including Australia, Botswana, Brunei Darussalam, Finland, Kenya, Mauritius, Namibia, Oman, Qatar, Rwanda, South Africa (highlighted), Swaziland, UAE, Uganda, United Kingdom, Zambia, and Zimbabwe. Below the dropdown, text indicates compatibility with Windows XP and Mac OS 10. At the bottom of the page, there is a cookie consent banner that reads: "This website uses cookies. We use cookies to ensure that we give you the best experience on our website. If you continue to use the site, we will assume that you accept this." and "Our website uses cookies to provide you with personalized content and for site analysis. If you continue to use the site without choosing your preference, we'll assume that you're fine with cookies." with an "I Accept" button.
